### Erin Taft

God has blessed me here at Harding University with a fantastic opportunity this coming summer. Several students will be traveling to Ghana, Africa and I will be a part of this mission trip for 2 weeks.

Our team has been given the goal of raising \$3,500.00 each. Half of this amount is due January 27, 2017 and the remainder by March 1, 2017. I am working as much as I can so that I can also contribute to this goal, but I will need some other people to help me. I hope you will be able to help. Even prayers are wanted and appreciated!

Global Outreach has now made it possible to contribute online for your convenience at <http://tinyurl.com/omgrj58>. Otherwise, you can make a check payable to Global

Outreach/Harding University. Thank you so much!

In Christian Love,  
Erin Taft

## Sympathy

Dear Central,

I appreciate the kindness of those that were able to attend Mother's visitation and funeral service on such a cold and dreary day. Thank you JT and Lloyd for conducting the service for us and for those who were able to serve as pallbearers. The Peace Lily that was sent to my home is lovely. Thank you for your kind expression of sympathy.

In His love,  
Myra Avera

Thank you to all the members of Central who helped with our mother's funeral service. We are grateful to know Christian people like you.

In Christian Love,  
Betty McCranie, Connie Watson, and Myra Avera
