New Class!!!

Dear Ladies,

A 2nd ladies' class will be offered at 9:30am starting on Sunday January 15, 2017. This class will meet in the ladies' gathering place. It will be arranged like a workshop. It will be called Ladies' Bible Workshop (LBW class). We are going to start with Bible Markings by Kathy Pollard. What you will need for this class is multi-colored Pigma micron 01 size pens and your Bible. A new topic will be given each Sunday. If you miss a Sunday, a copy will be made available to you! Many of us fill different roles (teaching MSB) so the information will be provided to you/us as well. If you have any questions, you can ask Amber, Kelley, Lori or myself. Hope this class will help equip us for answering the questions of where to find the answers for all souls out there as well as ourselves! We are looking forward to growing together in His Word!

In Him,
Amber, Rebecca, Kelley and Lori

Sympathy

We extend our sympathy to Myra Avera and family in the death of her mother, Mary Nell Howell.

Erin Taft

God has blessed me here at Harding University with a fantastic opportunity this coming summer. Several students will be traveling to Ghana, Africa and I will be a part of this mission trip for 2 weeks.

Our team has been given the goal of raising \$3,500.00 each. Half of this amount is due January 27, 2017 and the remainder by March 1, 2017. I am working as much as I can so that I can also contribute to this goal, but I will need some other people to help me. I hope you will be able to help. Even prayers are wanted and appreciated!

Global Outreach has now made it possible to contribute online for your convenience at <http://tinyurl.com/omgrj58>. Otherwise, you can make a check payable to Global

Outreach/Harding University. Thank you so much!

In Christian Love,
Erin Taft
